

**JIM WRENN**  
President and CEO  
IT Works

Jim Wrenn is the President and CEO of IT Works, the company he founded in 1987. He has a PhD in Biomedical Engineering from the University of North Carolina at Chapel Hill and has over 23 years of experience developing and implementing financial, human resources, grant, effort certification, and facility management software systems for colleges, universities, and research hospitals. His forte is finding and implementing solutions to complex problems especially in the areas that require expertise with computer technology and financial management.

Jim can be reached at: [wrennj@itworks-inc.com](mailto:wrennj@itworks-inc.com)
